

Assistant Land Surveyor (College Graduate B.S.)

Kjeldsen, Sinnock & Neudeck (KSN), is seeking a recent college graduate to join our talented land surveying team to work on exciting projects throughout Northern California. Our ideal candidate is innovative and customer focused, with a strong desire to build a professional career in land surveying.

Key responsibilities

- Primary field duties and responsibilities include serving on the survey field crew to complete field work and office tasks related to assignments.
- Primary office duties including providing as needed office assistance and support to the Land Surveying Manager, Project Surveyors, and Project Engineers.
- Regular Tasks Include:
 - Maintaining and operating surveying equipment such as robotic totals stations, data collectors, tablets, 3d laser scanners, GPS/GNSS receivers, digital levels, and small unmanned aerial systems (sUAS).
 - Maintaining and operating ATVs, boats, and trucks.
 - Researching and preparing record boundary mapping and right-of-way mapping.
 - Planning field tasks and processing field data.
 - Assisting with the preparation and delivery of surveying, mapping, and boundary projects using various software packages such as Trimble Business Center and AutoCAD Civil 3D.
 - Successfully communicating and coordinating with in-house staff at all levels.

Desired Education, Experience, and Skills

- Bachelor of Science degree in geomatics, land surveying or a related field from an accredited college or university (required).
- Land Surveyor in Training (LSIT) Certification or the ability to become certified within 6 months of hire.
- Driver's License with clean driving record.
- Desire and ability to build a career in land surveying and to obtain a California Land Surveying License.
- Hands-on working knowledge of Auto-CAD (Civil 3D) and Trimble Business Center Software preferred, but not required.
- Excellent verbal and written communication skills.
- Excellent team building and teamwork skills.
- Strong land surveying background through experience and/or education.
- Desire to work in both a field and office environment.
- Desire and ability to work with cutting edge technology.

KSN offers competitive salaries along with a complete benefits package including medical, vision, dental, 401K Retirement Plan, and a variety of training and development programs to help you develop the skills you need to succeed in your career. If you believe you have the necessary knowledge, experience and enthusiasm to succeed in this position, then we would like to hear from you.
